

Guide to Giving

BEGIN WITH PRAYER

- Thank God for blessing you and ask for guidance and discernment.

ASSESS YOUR INCOME AND GIVING

- Take a look at your annual income and your current giving as a percentage of your income. Examples are in the monthly percentage giving chart.

STEP UP YOUR COMMITMENT

- Use the chart to help you determine how you will step up.

DECIDE HOW YOU WILL GIVE

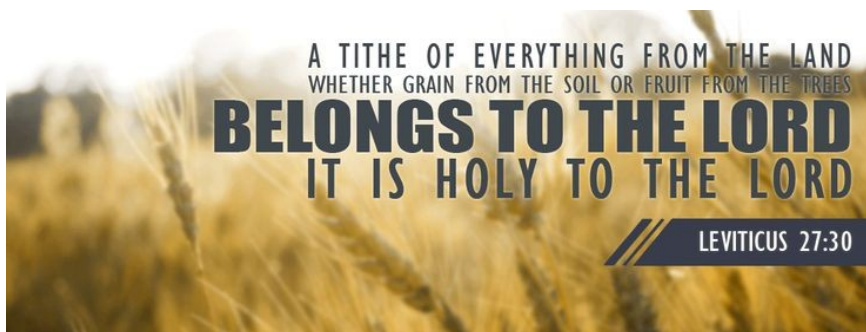

- Take a look at the “Ways to Give” on the Giving page and select the option that is best for both you and the church.

WORSHIP WITH GRATITUDE

- During every service we present our offerings to God during worship. This is an opportunity to express our gratitude to God and renew our commitment to being God’s stewards in the world.

Tithing... GIVING GOD THE FIRST TENTH OF YOUR INCOME.

TAKE THE STEP UP CHALLENGE

STEP 1

If you are not regularly giving to your church, make a commitment to giving at least \$10 per week (\$40 per month).

STEP 2

Commit to increasing your giving by 1% to 3% of your income as you move toward the goal of giving the tithe, 10% of your income.

STEP 3

If you are giving the tithe (10% of your income) thank you for your faithfulness. Prayerfully consider increasing your commitment by 1% to 3% to help your church take advantage of the opportunities before us.
